

San Diego Mobile Notary & LiveScan — SMS Opt-In Flow (Proof of Consent)

This document describes the consumer consent flow used to collect SMS opt-ins on sandiegomobilenotary.net. It is provided as proof of consent per Twilio Toll-Free Verification requirements.

Step	Description / URL
1	Consumer visits the public opt-in page: https://sandiegomobilenotary.net/opt-in
2	Consumer enters Full Name and Mobile Phone, and checks a required consent checkbox.
3	Disclosures are displayed directly on the page next to the form (STOP/HELP, message/data rates, privacy policy).
4	Consumer clicks Submit. Submission is stored in Wix Form Submissions and emailed to the business owner.
5	Confirmation text displays on the page: "Thanks! You're subscribed to SMS updates."

Disclosures Shown on the Opt-In Page

By providing your mobile number and submitting this form, you agree to receive SMS messages from **San Diego Mobile Notary & LiveScan** about appointments, reminders, receipts, and service updates. Message frequency varies. Message & data rates may apply. Reply **STOP** to unsubscribe or **HELP** for help. View our **Privacy Policy** at <https://sandiegomobilenotary.net/privacy>. Consent is not a condition of purchase.
